

RICHARDSON®

Are you looking for a great schedule (possible three day weekends!), a clean, friendly working environment, and consistent working hours? Do you take pride in your work and attention to detail? Are you ready to become part of a growing team with lots of benefits? Look no further, Richardson Sports is hiring reliable, energetic individuals to add to our Embroidery Teams. Positions include Embroidery Machine Operators, Sewing Machine Operators and Quality Control Techs. Training is provided!

Day shift runs 6:30am to 3:00pm, M-F. Swing Shift runs Monday-Thursday, 3:30 pm to 2:00 am, which includes a pay differential (and three day weekends!).

Job requirements:

- Reliability
- Personal Transportation
- Attention to detail
- Willing to work in a fast paced environment
- Experience in a production or manufacturing environment preferable
- Ability to lift up to 20 lbs
- Training available

Job Functions:

- Placing caps on multi-head embroidery machines to apply decoration
- Utilizing an industrial sewing machine to apply patches and decoration
- Trimming and tagging completed caps for quality control
- Bending and twisting on a regular basis

Richardson Sports offers competitive wages and an excellent benefit package. Full medical and dental benefits are provided and Paid Time Off (PTO) begins accruing from day one. There is also the opportunity to acquire overtime on Fridays and Saturdays if you so choose.

Richardson has served the team sports market upon a foundation of authenticity, reliability, and an unmatched passion for quality since 1970. Today we are recognized as a leader in the team sports industry, delivering performance-inspired headwear to thousands of accounts, and worn by millions of athletes around the world. While team baseball caps are our core business and where we flourish, we also produce headwear for accounts in the collegiate licensed market, promotional products industry, the golf and action sports market and a wide range of lifestyle and sports product brands. We are excited to add new members to our team!
